

PROJECT GRADUATION

CLASS OF 2024

Chairperson: Tina Vartolone

Project Graduation 2024 has started brainstorming ideas with “parent socials.” Yolanda Rivera (PHSClass24@gmail.com) has kindly started an email list with names of parents who have expressed interest in aiding our efforts. We anticipate having the next PG 2024 meeting in November to select our official committee.

Volunteers who want to help with something small but not be “in charge” are always needed too! Remember all volunteers and committee members must be members of the Paramus HS PTA for insurance purposes.

To stay informed please find updates here on the Paramus High School PTA website or contact the Chairperson directly.
