

**PARAMUS HIGH SCHOOL
PROJECT GRADUATION
CLASS OF 2025**

Committee Pending

Project Graduation 2025 may seem far away, but it will be here before we know it! The PHS PTA needs volunteers who are willing to lead this committee. We do have a parent who has expressed interest, but we want to open it up to the entire class. If you *might* be interested, please contact the PTA President directly as soon as possible.

To stay informed about parent meetings - please find updates here on the Paramus High School PTA website, under Class of 2025. If you prefer to support our efforts from afar, then please join the PTA.
