February, 2025

Dear Paramus Community:

This year marks the seventh anniversary of the tragic bus accident that deeply affected our community.

As many of the students directly impacted by this event prepare to graduate from high school in June, they have expressed a desire to commemorate and honor those affected. To fulfill this meaningful wish, Friday, May 16, 2025, will be designated as a Day of Service and Student Choice at Paramus High School.

We invite teachers, students, and the broader Paramus community to participate in this special day. We encourage proposals for activities, workshops, and lessons that foster a sense of joy, reflection, and community. These may include:

- Creative Expression: Art projects, music performances, poetry readings
- Wellness Activities: Yoga, meditation, mindfulness exercises
- Community Engagement: Volunteer opportunities, service projects
- Unique Learning Experiences: Proposed lessons already include "Indie Music in the 1990s," "Wrestling with Geopolitics - A History of How Professional Wrestling Reflected and Informed Global Politics," and other engaging, thought-provoking sessions.
-

We warmly welcome participation from local businesses, community organizations, and individuals who may offer guest speaker presentations, demonstrations, or other enriching experiences that support student well-being.

We kindly request your support in sharing this opportunity with the Paramus community. If you are interested in participating, please complete this [survey](#).

For further information, please contact Paramus High School Principal Dom Miller or Supervisor of Social Studies & World Languages, David Allocco.
