

Built on Tradition – Cultivated Through Excellence

MISSION

Paramus Public Schools, built on a tradition of excellence and innovation, in partnership with its community, empowers students to succeed as global citizens who add value to the world.

THE SCHOOL AND THE COMMUNITY

Paramus High School is a comprehensive public high school of approximately 1200 students in grades nine through twelve located in a suburban, residential community in Bergen County, about eight miles west of Upper Manhattan. The racial makeup of the borough is approximately 66% White, 29% Asian, 3% Black or African American, >1% from other races, and 2% from two or more races. Hispanic or Latinos of any race are approximately 11% of the population. New Jersey Monthly magazine ranked Paramus as the 26th best place to live in its 2015 rankings of the "Best Places to Live" in New Jersey.

THE ACADEMIC PROGRAM

Designed to motivate and challenge all students, the academic program at Paramus High School is driven by equity and the highest possible learning expectations for students. During their high school career, students have access to an impressive range of course offerings and programs mindfully selected to provide our students with every advantage through the New Jersey public school system. We are committed to ensuring our students have the education they need to succeed after graduation and the opportunity to enjoy the high school experience. All learning experiences are academically rigorous and intended to prepare students for success in college, career, and citizenship.

GRADING

Paramus High School's academic year is divided into two semesters with official grades reported in early February for semester one courses and late June for semester two and full-year courses. The GPA is calculated on a weighted 4.0 scale with an extra .75 for all Honors courses and an extra 1.5 for all Advanced Placement courses. Final grades are determined using the following formula: Full-year courses - each marking period = 22.5% and final exam = 10%; Semester courses – each marking period = 45% and final exam = 10%.
