GRADING

Paramus High School's academic year is divided into two semesters with official grades reported in early February for semester one courses and late June for semester two and full-year courses. The GPA is calculated on a weighted 4.0 scale with an extra .75 for all Honors courses and an extra 1.5 for all Advanced Placement courses. Final grades are determined using the following formula: Full-year courses - each marking period = 22.5% and final exam = 10%; Semester courses - each marking period = 45% and final exam = 10%.
